Yeah Yeah Yeah

Dustin Lynch

Hey baby, it's good to see you again
This party's rockin' let's get you jumpstarted
And get you a drink
I love that Haggard T-Shirt you got on
The Way You're Singin along, shaking that thing
Right about now all I wanna say isChorus:
Yeah Yeah Yeah
Look at you lookin' all drop dead beautiful
Whoah oh oh
Girl you got it, got it going on tonight
Uh Uh Uh
Take A Little Sip then lean on in
For a little bit nice and slow
Girl here we go
Yeah Yeah Yeah
Yeah Yeah Yeah
