

I Wish It Could Be Christmas Everyday

Wizzard

When the snowman brings the snow

Well he just might like to know

He's put a great big smile on somebody's face

If you jump into your bed

Quickly cover up your head

Don't you lock the doors

You know that sweet Santa Clause is on the way Well I wish it could be Christmas everyday

When the kids start singing and the band begins to play

Oh I wish it could be Christmas everyday

So let the bells ring out for Christmas When your skating in the park

If the snow cloud makes it dark

Then your rosy cheeks are gonna light my merry way

Now the frosty paws appear

And they've frozen up my ear

So we'll lie by the fire

Till the sleet simply knocks 'em all the way Well I wish it could be Christmas everyday

When the kids start singing and the band begins to play

Oh I wish it could be Christmas every day

So let the bells ring out for Christmas When the snow man brings the snow (snowman brings the snow)

Well he just might like to know (just might like to know)

He's put a great big smile on somebody's face

So if Santa brings that sleigh (Santa brings that sleigh)

Along the milky way (along the milky way)

I'll sign my name on the rooftop in the snow

Then he may decide to stay Well I wish it could be Christmas everyday

When the kids start singing and the band begins to play

Oh I wish it could be Christmas everyday

So let the bells ring out for Christmas
