Big Boss Man

Nancy Sinatra

Big boss man, can't you hear me when I call?
Big boss man, can't you hear me when I call?
Oh you ain't so big, you're just tall, that's allYou got me workin' boss man
A workin' round the clock
I need me a drink of water
But you just won't let me stopBig boss man, oh, can't you hear me when I call?
You know that you ain't so big
You're just tall, that's allI got to get myself a boss man
And he's gonna treat me right
He'll work me hard, real hard in the day time
But I sure rest easy and niceBig boss man, can't you hear? Can't you hear me when I call?
Let me tell you, that you ain't, you ain't so big
You're just tall, that's allBig boss man
Big boss man
Big boss man
Hey can't you hear me when I call
