Straight Bars

Sir Skitzo

Yo
Skitzo
Check it

Yeah,
it's crazy how fast life even passes
Everything I've loved seems to turn into them ashes
That's why i am rappin
Up with the passion
we all got struggles and we all got to keep serpassing
Yo check it
life is the term For the worst I'll sip on a bottle of vodka
listen to rap today
I got a thirst for a better genre
