

# We Are Young (Alvin Risk Remix)

fun.

Give me a second I,  
I need to get my story straight  
My friends are in the bathroom  
Getting higher than the Empire State  
My lover she's waiting for me  
Just across the bar  
My seat's been taken by some sunglasses  
Asking about a scar and...I know I gave it to you months ago  
I know you're trying to forget  
But between the drinks and siddle things  
The holes in my apologies  
You know, I'm trying hard to take it back So if by the time the bar closes  
And you feel like falling down  
I'll carry you ho-o-ome Tonight,  
We are young;  
So let's set the world on fire,  
we can burn brighter,  
Than the sun Tonight  
We are young  
So let's set the world on fire  
We can burn brighter,  
Than the sun  
Now I know that I'm not  
All that you got  
I guess that I  
I just thought maybe we could find new ways to fall apart  
But our friends are back  
So let's raise a cup  
Cause I found someone to carry me home Tonight  
We are young  
So let's the set the world on fire  
We can burn brighter  
Than the sun Tonight  
We are young  
So let's set the world on fire  
We can burn brighter  
Than the sun Carry me home tonight  
Just carry me home tonight  
Carry me home tonight

Just carry me home tonight  
The world is on my side (nanananannanana)  
I have no reason to run (ananananananan(  
So will someone come and carry me home tonight (nananananana)  
The angels never arrived( nananananananan)  
But I can hear the choir (nanannananananan)  
So will someone come and carry me home (anananana)Tonight  
We are young  
So let's set the world on fire  
We can burn brighter  
Than the sunTonight  
We are young  
So let's set the world on fire  
We can burn brighter  
Than the sunSo, if by the time  
the bar closes,  
and you feel like falling down,  
i'll carry you home,Tonight.....
