

Lay Down Stay Down

Deep Purple

I don't care if my lady's gone
As long as you give me just what I want.
I've been losin' my direction,
Got to find a new connection. You have wasted the love I tasted,
Now I'm really gettin' hungry more and more.
Been a long time, had a bad sign.
Tell me what am I fighting for? Let me know you feel it,
You know I really need it.
Keep on pushin' for more,
Lay down, stay down.
I got something to find,
There's one thing I really need.
I'm gonna tell you right now,
Lay down, stay down. Lookin' for trouble, I guess that's right.
When I was young I was taught to fight.
It's been long gone since I had known,
Now I'm headin' for some more. Let me know you feel it,
You know I really need it.
Keep on pushin' for more,
Lay down, stay down.
I got something to find,
There's one thing I really need.
I'm gonna tell you right now,
Lay down, stay down. Let me know you feel it,
You know I really need it.
Keep on pushin' for more,
Lay down, stay down.
I got something to find,
There's one thing I really need.
I'm gonna tell you right now,
Lay down, stay down.
