# Supa Star

## Montell Jordan

Tonight, I?ll treat you like a super star
Doesn?t matter where we are, baby doll
As long as I?m with you
Oh, I?ll treat you like a superstar
Drive you around in my fancy car, baby doll
As long as I?m with you
Baby girl, let me break it down to you
I haven?t been quite the man I should?ve
I didn?t do all the things that I could?ve
To bring back your smile
All this time I was out there grinding
Trying to make life a little more exciting
Couldn?t see I was leaving you behind n?
It look me a while
Girl, don?t hold a grudge with me
Tonight I?ll sweep you off your feet
And make it how we supposed to be
I only want you
Tonight, I?ll treat you like a super star
Doesn?t matter where we are, baby doll
As long as I?m with you
Oh, I?ll treat you like a superstar
Drive you around in my fancy car, baby doll
As long as I?m with you
Your body, I wanna hold
You got my back when then world is so cold
From day one, I swear I was sold
On you, so I?ma do the things that you like
I?ll take my time and do it all night
Freak that dress then one that I like, let?s ride
Girl, don?t hold a grudge with me
Tonight I?ll sweep you off your feet
And make it how we supposed to be
I only want you
Tonight, I?ll treat you like a super star
Doesn?t matter where we are, baby doll
As long as I?m with you
Oh, I?ll treat you like a superstar
Drive you around in my fancy car, baby doll

As long as I?m with you
Tonight, I?ll treat you like a super star
Doesn?t matter where we are, baby doll
As long as I?m with you
Oh, I?ll treat you like a superstar
Drive you around in my fancy car, baby doll
As long as I?m with you
Girl, it's your night
(It's your night)
We?ll do whatever you want to do
Ooh, I will make it right
(I?ll make it right)
As long as I?m with you
(You)
