

# No Clothes On

## Trey Songz

No clothes on  
We back, hey  
Songz, can you promise?  
No clothes on, it's awful, baby I can picture you with no clothes on  
Gurl, I gotta have it  
I'm attracted to ya  
The way your pants, I'm lookin' back at it No clothes on  
Everybody mean that I wouldn't mind  
Seein' you snappin' out them jeans  
Like you got no clothes on And I'm so gone up in my zone  
Baby, talked a bidness  
You're so grown, baby oh, my goodness  
Is this my imagination? Am I hallucinatin' gurl? You're so grown and I just wanna be bad  
Let me see your secrets  
Wanna whisper in your ear  
Come here Let me work that thang  
We strip that thang  
We work that thang  
We check that thang  
Gurl, I might hurt that thang Shawty, what your name is?  
Oh gurl, I gotta know  
And shawty, who you came with?  
Don't take this personal But I can picture you with no clothes on  
Gurl, I gotta have it  
I'm attracted to ya  
The way your pants, I'm lookin' back at it No clothes on  
Everybody mean that I wouldn't mind  
Seein' you snappin' out them jeans  
Like you got no clothes on Ain't no more drone, is this your song?  
Why don't you go over there and do your thang?  
Don't be scared  
But that booty body You the shawty, do the naughty  
Hippin' and touchin' at the party  
What's so wrong? I just wanna make this clear  
Come here, can I whisper in your ear? Let me work that thang  
We strip that thang  
We work that thang  
We check that thang  
Gurl, I might hurt that thang Shawty, what your name is?

Oh gurl, I gotta know  
And shawty, who you came with?  
Don't take this personal Well, I can picture you with no clothes on  
Gurl, I gotta have it  
I'm attracted to ya  
The way your pants, I'm lookin' back at it No clothes on  
Everybody mean that I wouldn't mind  
Seein' you snappin' out them jeans  
Like you got no clothes on Gurl, I gotta have it  
I'm attracted to to ya  
The way your pants, I'm lookin' back at it No clothes on  
Everybody mean that I wouldn't mind  
Seein' you snappin' out them jeans  
Like you got No clothes, no clothes, no clothes  
You like the way I rock my hips  
(When you're rockin' yo hips)  
Pop lock and drop it, hey Pop lock and drop it  
Ooh, I love how you be leanin'  
You see me leanin'  
Ah shawty, am I dreamin'? I see you dreamin', what I'm tryna say is  
Gurl, I'm seein' you, seein' you, seein' you with no clothes  
No clothes on, no clothes, no clothes on, ooh baby But I can picture you with no clothes on  
Gurl, I gotta have it  
I'm attracted to ya  
The way your pants, I'm lookin' back at it No clothes on  
Everybody mean that I wouldn't mind  
Seein' you snappin' out them jeans  
Like you got no clothes on Gurl, I gotta have it  
I'm attracted to ya  
The way your pants, I'm lookin' back at it No clothes on  
Everybody mean that I wouldn't mind  
Seein' you snappin' out them jeans  
Like you got no clothes on Take it off
