Cold Sweat

Megadeth

I put my money in the suitcase
And headed for the big race
I felt a chill on my backbone
As I hung up the telephoneStone cold sober and stone cold sweat
Running down the back of my neck

To lose means trouble, to win pays double

And I got me a heavy betCold, cold sweatThey say chances on the outside

Are looking pretty slim

I've been so lucky on the inside

I feel I'm going to winStone cold sober and stone cold sweat

Running down the back of my neck

Take a little money, there's nothing left to lose

And I got me a heavy betCold, cold sweatI've got a whole month's wages
I haven't seen that much in ages

I might spend it in stages

And move out to Las VegasStone cold sober and stone cold sweat Running down the back of my neck

To lose means trouble, to win pays double

And I got me a heavy betCold, cold sweatI put my money in the suitcase

They say chances on the outside

I've got a whole month's wagesStone cold sober and stone cold sweat Stone cold crazy, place another bet
