

I Am You

Depeche Mode

You have bound my heart with subtle chains
So much pleasure that it feels like pain
So entwined now that we can't shake free
I am you and you are me No escaping from the mess we're in
So much pleasure that it must be sin
I must live with this reality
I am yours eternally There's no turning back, we're in this trap
No denying the facts, no, no, no
No excuses to give, I'm the one you're with
We've no alternative, no, no, no Dark obsession in the name of love
This addiction that we're both part of
Leads us deeper into mystery
Keeps us craving endlessly Strange compulsions
That I can't control
Pure possession of my heart and soul
I must live with this reality I am you and you are me
I am you and you are me
I am you and you are me
I am you and you are me There's no turning back, we're in this trap
No denying the facts, no, no, no
No excuses to give, I'm the one you're with
We've no alternative, no, no, no
