

Rowdy Soul

Cutthroat Shamrock

i'm a rowdy soul, i'm a rowdy soul.
don't care weather I work or not.

i'm a rowdy soul, i'm a rowdy soul.
don't care weather I work or not.

I didn't plant no corn this year, plant no bean or mater;s
I didn't plant no corn this year, but damn them Irish tater's

i'm a rowdy soul, i'm a rowdy soul.
don't care weather I work or not.

i'm a rowdy soul, i'm a rowdy soul.
don't care weather I work or not.

I saw the captains coat hanging up by the wall
I stole the captains coat and wore it too the fancy dress ball

i'm a rowdy soul, i'm a rowdy soul.
don't care weather I work or not.

i'm a rowdy soul, i'm a rowdy soul.
don't care weather I work or not.

next time I build my house, build my chimney higher
mud-daubers swarmin around, gonna put me out that fire

i'm a rowdy soul, i'm a rowdy soul.
don't care weather I work or not.

i'm a rowdy soul, i'm a rowdy soul.
don't care weather I work or not.
