

Wheel of Fortune

Ace of Base

What you gonna tell your dad
It's like a wheel of fortune
And what you gonna tell your dad
If this wheel lets you downMy love is my engine
And you might be fuel
Stop acting cool
Just bet you might win
I'm not too coolWe're gonna make you moveDon't push me
I don't want to, can't you see it
Hasten slowly
And don't count your chicks
Before the're hatched babyWhat you gonna tell your dad
It's like a wheel of fortune
And what you gonna tell your dad
If this wheel lets you downMy love is my engine
And you might be fuel
Stop acting cool
Just bet you might win
I'm not too coolHey you
We're gonna make you move
It tastes like steel
Like a stab from a knifeWhat you gonna tell your daddy
What you gonna tell your daddy
Say, what you gonna tell your daddy
What you gonna tell your daddy
What you gonna tell your daddy
I'm on love with another foolI'm in love with you
I like your style
I want you
I'm in loveI'm in love with you
I like your style
I want you
I'm in loveWhat you gonna tell your dad
It's like a wheel of fortune
And what you gonna tell your dad
If this wheel lets you down, yeahWhat you gonna tell your dad
It's like a wheel of fortune
And what you gonna tell your dad
If this wheel lets you downMy love is my engine

And you might be fuel
Stop acting cool
Just bet you might win
I'm not too cool I'm in love with another fool
Yeah, yeah, yeah, yeah, yeah
I'm in love with another fool
Tell tell tell I'm in love dad I'm in love with you
I like your style, I want you
I'm in love
I'm in love
I like your style
