Fell to the red room
Because she was there, oh
A scarlet woman
She got me in fear, yeah, yeah, yeah She said do all those things that you do to me
You know what I mean, boy
Do all those things that you do to me yeah Love remover love remover machine
You little soul shaker love remover machine Baby baby baby baby baby I fell from the sky
Yesterday you blew my mind oh yeah
Having trouble with my direction
Upside down psychotic reaction Love removal love removal machine
