

Candy

Lou Donaldson

Some say that love is sweet as a rose,
Some say it's honey and the bee,
Well sit right down and let me tell you
What my love is to me. "Candy"
I call my sugar "Candy"
Because I'm sweet on "Candy"
And "Candy" is sweet on me He/She understands me,
My understanding "Candy"
And "Candy"'s always handy
When I need sympathy
I wish that there were four of him/her
So I could love much more of him/her He/She has taken my complete heart,
Got a sweet tooth for my sweetheart
"Candy"
Its gonna be just dandy
The day I take my "Candy"
And make him mine all mine
Mine
