

# Drive By

Jessica Sanchez

You're always on my mind So I drive by, I drive by  
Baby I drive by  
It's crazy baby you're always on my mind I'll be honest  
Really miss you sometimes  
If I think of you every night  
I can't sleep I've been lying  
If I said I wasn't out of hand  
If only you could understand  
What you do to me Couldn't forget you  
If I wanted to  
And I know it's crazy  
But baby you're always on my mind So I drive by, I drive by  
Baby I drive by  
It's crazy baby you're always on my mind Hey I can't keep it up  
I don't know how to stop  
I can't control my love  
So I drive by, drive by Can't let go of you  
Baby I'm so confused  
See what you make me do  
I drive by, drive by
