I Was Made to Love Her

Stevie Wonder

I was born in Lil' Rock, had a childhood sweetheart

We were always hand in hand

I was high top shoes and shirt tails

Suzy was in pig tails, I know I loved her even then You know my papa disapproved it, my mama boohooed it

But I told them time and time again

Don't you know I was made to love her

Built a world all around her, yeah, hey, hey, heyShe's been my inspiration, showed appreciation

For the love I gave her through the years

Like a sweet magnolia tree, my love blossomed tenderly

My life grew sweeter through the yearsI know that my baby loves me, my baby needs me

That's why we made it through the years

I was made to love her, worship and adore her

Hey, hey, heyAll through thick and thin, our love just won't end

'Cause I love my baby, love my baby

My baby loves me, my baby needs me

And I know I ain't going nowhereI was knee high to a chicken when that love bug bit me

I had the fever with each passing year

Oh, even if the mountain tumbles, if this whole world crumbles

By her side I'll still be standing there Cause I was made to love her

I was made to live for her, yeah

I was made to love her

Built my world all around her, hey, hey, heyOoh baby, I was made to please her

You know Stevie ain't gonna leave her

No, hey, hey, hey
