

Who You Are

Tears for Fears

Someone's drinking all alone
Someone's left the TV on
I don't suppose
No I don't suppose Someone's sleeping in my bed
Someone's let the genie in
I don't suppose
No I don't suppose You know who you are
Who you are
Who you are today Baby's gone and died again
Taken by the tide again
And it's no surprise
She hates goodbyes Someone's folding paper planes
Someone's on the line again
Someone's crying at the sonnet
Someone's hiding from someone I don't suppose, no I don't suppose
You know who you are
Who you are
Who you are today
