

Call Any Vegetable

Frank Zappa & The Mothers

Call any vegetable
Call it by name
You've gotta call one today
When you get off the train
Call any vegetable
And the chances are good
The vegetable will respond to you
La La La La
The vegetable will respond to you
La La La La
Call any vegetable
Pick up your phone
Think of a vegetable
Lonely at home
Call any vegetable
And the chances are good
The vegetable will respond to you
La La La La
The vegetable will respond to you
La La La La
Rutabaga, Rutabaga, Rutabaga, Rutabaga, Rutaba...
No one will know
If you don't want to let them know
No one will know less it's you that might tell them so
Call and they'll come to you
Smiling and covered with dew
Vegetable dream
Vegetable dream
Vegetable dream of responding to you
Standing there shiny and proud by your side
Holding your joint while the neighbors decide
Why is a vegetable something to hide
TO HIDE, TO HIDE, TO HIDE, ...
Shooo, Shooo, Shoo, Shoo ...

You know a lot of people don't bother about there friends in the vegetablekingdom. They, they think: What can I say? Some times they think: Where can I go? Where can I go to get my poodle clipped in Burbank? At Ralph's vegetarian poodle clippin', where you can come this...

Where can I go to get organic vaseline for my Frank Zappa
At Bob and Ray's swaheli restorant, where you can come this close...

Where can I go to get my jeans embroidered at Fullerton?...

At jeans, at Jeans North where nothing fits

Where can I go to get my zipper repaired in Hollywood? Who gives the f*** anyway
Where can I go to get my speakers fixed? Where can I go to get my exit lights?, At Jack La
Lane Hamburgers on 312 Woodier(?) Boulevard.

Where can I go to get my stomach pumped? Where can I go to colapse

Hey, De-due.

Questions, Questions, Questions, flooding into the mind of the concerned young person today. Ah, but it's a
great time to be alive ladies and gentlemen. And that's the theme of our program for tonight, "It's so
F***ING GREAT to be alive"! Is what the theme of our show is tonight, boys and girls. And I'm wanna tell ya,
if there is anybody here who
DOESN'T believe that it is F***ING GREAT to be alive, I wish that they gonow, because this show will only
bring them down so much...]
