

# My Life (M-Factor Dub)

Chanel

Got me hurting cause I'm wanting you  
And you're leaving me  
Said you need more space  
If it makes your life much easier  
Your love I'll share  
Just tell me that you'll stay Cause you can't go, not just yet  
Want you close, by my side  
When love's this good, it's hard to find  
Know that I love you, and you're always in My life, my life, and I want you in It's not like me to be this way  
But my love for you has got me so confused  
And it's not the things you do for me  
How you make me feel  
Keeps me wanting you You can't go, not just yet  
Want you close, by my side  
When love's this good, it's hard to find  
Know that I love you, and you're always in My life, my life, and I want you in I just wanna let you know that I'll  
be here for you  
To make sure that you're happy, my happiness is you  
I just wanna let you know that I'll be here for you  
I just wanna hold on to the love I found You can't go, not just yet  
Want you close, by my side My life, my life, and I want you in
