

# Brother John

## Blues Traveler

Are you sleeping brother John  
If you feel like weeping brother John  
Please won't you hear me brother John  
I'll just wait and see brother John  
Can't you see by the will of your hand  
You can give it a try and just name your price  
And everybody in this rock and roll band  
Don't wanna preach don't wanna give advice  
But the music's playing and all we're saying  
Is come along and jam  
And it's hard to be believed what can be achieved  
With an outstretched hand  
Are you sleeping brother John  
If you feel like weeping brother John  
Please won't you hear me brother John  
I'll just wait and see brother John  
Are you sleeping brother John  
If you feel like weeping brother John  
Please won't you hear, hear me brother John  
I'll just wait and see brother John  
The things that hurt just won't go away  
But neither will we  
'Cause it really doesn't matter either way  
'Cause you're all you need to set yourself free  
It may sound hard but it's just a start  
To ride that wind  
And you ain't Peter Pan you're just a man  
You'll get there again

Are you sleeping brother John  
(Are you sleeping brother John, yeah)  
If you feel like weeping brother John  
(Kind of weeping brother John)  
Please won't you hear me brother John  
(Won't you hear me brother John, yeah)  
Just wait and see brother John  
(Wait and see, yeah)  
I said, "Are you sleeping brother John  
If you feel like weeping brother John

Please won't you hear me brother John

Just wait and see brother John"

Just wait and see

(Wait and see)

Just wait and see

(Wait and see)

Just wait and see

(I said, "Wait and see")

Just wait and see

(Wait and see)

Won't you rise and shine

Won't you rise and shine

Won't you rise and shine

Won't you rise and shine

Won't you rise and shine

Won't you rise and shine

Won't you rise and shine

Won't you wait and see
