

The Answers / DJ Interlude

Kovas

1/4 Verse 1:

The Answers

Written by Kovasciar Myvette - Infinite Rhythm Inc. / ASCAP

I came here to be great. Won't you be great too. I know you got much weight. Take the weight off you. I know you looking for a plate. Tell you what you got to do. Get your head on straight. Tell 'em they been lied to.

Pre:

Assurance of a remedy. Can't take no shorts when searching for longevity. (Wait a minute) 1440 in a day. So you gonna take the time or just let it all waste away.

Chorus:

This is for the ancestors. The ancestors. Just looking for the answers. The answers. 2x

Post:

Got to tell 'em what it is. Tell 'em what it is. Stop living in your fears.

Verse 2:

Some of them teach that nonsense. (Yeah) This is something that speaks to conscious. (Yeah) I'm a keep it 100 regardless. (Yeah) If you feel the connection we bonding. All together now.

Pre:

The only one I'm competing with is me. Don't hate be great. Let go that insecurity. (Wait a minute now) 1440 a day. So you gonna take the time or just let it all waste away.

Chorus:

Post:

Tell 'em what it is. Tell 'em what it is. You in charge of your cares. Now hold on just a minute now. Tell 'em what it is. Tell 'em what it is. You hold the keys inside, stop looking everywhere.

Bridge:

We won't, we won't be no fool. Rain doesn't fall on just one roof. If you look out the window waiting for shine. You just past the time got left behind.

Chorus:

This is for the ancestors. The ancestors. Just looking for the answers. The answers. 2x

Vamp:

I came here to be great. You should be great too. I know you got much weight. Take the weight off you. 2x
Easy. This is intercourse of the intellect. Soul, spirit liberate. You great man? (Yeah) Be great. You great woman? (Yeah) Be great.
