Rubbers

Naledge

I wonder more and more
If prevention is better than secure, woa naah
I want to see that girl next door
But mek sure I have dem in storeMi want a jook offa Jacqueline
But mi haffi draw for my rubbers, for my rubbers
Sex nice but the AIDS ting
Wi mek yuh die like flowers, die out like flowersMi want a jook offa Jacqueline
But mi haffi draw for my rubbers, for my rubbers
Sex nice but the AIDS ting
Wi mek yuh die like flowers, die out like flowersWhen mi stop an mi look inna mi crystal ball
Mi get fi find out say, no man a nuh wall
An most pretty gal yuh caan trust dem at all
At all, at all HeyYuh find a young girl an through she small
Yuh think say she naw gi yuh un with Paul
But if yuh ever hear how much name a call
A call, a call heyShe have Peter mark and she dey with Saul
She even have a married man over Whitehall
So mek sure when yuh in love yuh nuh fall
Nuh fall, nuh fall mi brethrenMi want a jook offa Jacqueline
But mi haffi draw for my rubbers, for my rubbers
Sex nice but the AIDS ting
Wi mek yuh die like flowers, die out like flowersMi si dung an mi check inna di system
An mi decide say mi naah be nuh victim
Nobaddi naah gimmi nutten whey nuh have no cure
A rather ride no moreNo rubbers no ride yaah mi sistren
Safe sex a whey mi strongly believe in
An mi naah tek no check so mi makin sure
Mi have codoms galoreMi want a jook offa Jacqueline
But mi haffi draw for my rubbers, for my rubbers
Sex nice but the AIDS ting
Wi mek yuh die like flowers, die out like flowersRain a fall and mi temperature rise
Jackie say fi check har, she up a Miss Joyce
Busy mi get busy 'cause mi well want a slice
Haffi make haste 'cause the slam dey pon iceReach up a Jackie but mi start check wise
Pure bumpy bumpy deh pon Jackie eyes
Pure blister blister deh pon Jackie thighs
It look like she have suppen under disguise
