

Body Bag

Young M.a.

huh im boutta talk my shit
brooklyn what up ma nigga
im on some undefeated shit nah i cant lose get in the game and act a damn fool
get a masion out in cancun the size of a damn school
i gotta grind nah i cant snooze
thats ya bitch well she a fan too
i asked her where ya man at she said my man who
i do shit that you cant do cuz nigga im the damn truth
my money long like bamboo
no top on the damn coop the haters like damn you
man shot
if i cant loose just imagine what i can do
im at they heads like shampoo
bitch i made it like i planned to
and im hot fuck around and catch a tan to i ran too my dreams and my whole team ran to
posted up with the damn crew
rah lil la rel dej keys black chris jay thats my man too
big meetch twitty tweeze bitty eli all my niggas out in c.i
yo butta thats the fam too
them haters mad because i came out the damn blue and murdered everything and everybody in the damn room
them haters like god damn i cant stand you
but i just smile back and count money till my hands blue
peep my damn shoes the shirt and the pants too
partner outfit but my style is too damn rude
im the shit nigga do you get the damn clue
im shitting on her him them ya and you
i swallow pussy like i cant chew
and i had that bitch go into a shock now she cant move
leave me alone haters i aint in the damn mood
fuck around and have my face on the damn news
hit the block pull up in something brand new
white coop, red seats, campbells can soup
i dont hang with lames nah im too damn cool
but im on fire in that damn booth
im the best to ever do it and this here is the damn proof
got niggas shaking in they damn boots
cuz they cant fuck with me like a bitch with a red cooch
get it ?
fuck it now im bouta kill it

niggas wanna do collabs nah nigga i aint with it
cuz you trash and that bullshit you spitting i aint feeling
grown men hating on me
bitch nigas in they feelings
ya niggas got a clitoris
niggas must be on they period
niggas must be bi curious
but i dont take you niggas serious
just put that dot on ya head
cuz i dont fuck with you niggas period
basic ass nigas, hating ass niggas
had a dream they was persuing and never made it ass niggas huh?
is that the reason why you mad
you you and him can suck the dick i never had
now im taking niggas bitches
and im fucking them with a strap
and send her back home to you
throw her ass right in the cab
im a disrespectful nigga
even without the henny
but its a whole nother story when that liquor get up in me
im cocking guns back and im hitting niggas kidneys
aint shit about me friendly
got them big b's with me
i aint talking bout them bentlys
im talking bout them nigga that walk around with them semis
that'll pop you for them pennies nigga
