

# Jackbone (feat. Sean Kelly)

## P.J. Pacifico

Since touching down at DIA  
I didn't want to go after four, short days  
Forest Drive kept me alive  
And four days quickly turned into five  
I didn't fly home with the other guys I'm on my extended vacay  
I ain't got jackbone goin' on at home  
So I think I'll stay I checked on later flights if that's okay  
Just my guitar, you and me and extra days  
The comfort factor is blowin' me away  
Thanks to the snow back home at JFK I made right out of plans gone  
As I tipped my hat and thanked nature's Mom  
The sun this morning burned away the storm  
My bag is unpacked and my coffee is warm  
I'll get back home on of these days  
But for now I'll veg and just not shave  
It feels so good to stay away  
What's on tap for lunch?  
On the sixth day of my...
