

# 1000 Cigarettes

JFK

Let me show you how I kick it when I'm at home.  
Tone, Vicious ten bitches in the back room, and they naked and  
They taken' naked flicks, when they finished they goin' hang them  
Naked pictures in the bathroom. So I can see em' when I'm takin' shit an' I can see em'  
When I'm takin' a piss an' you an' you can see em'  
When you takin' a shit an' you can see em' when you takin' a piss.  
Me an my 4-4 takin' a trip to the hood where it start out
