Rock 'n' Roll

Sex appeal I see you, I told you, I know you, I want it now

This rollercoaster is fucking us both around

Let's get this thing started we both know it's going down

Find a location and take this shit underground Wanna know, wanna know, wanna know how you feel

Wanna know, wanna know, wanna know if it's real

Wanna take you home and see if we could strike up a deal, yeah

Wanna know what you think, cause I think we can sink

Into a full glass overdose of sex appeal The closer, the contact, the statement you're in the clouds

Yesterday morning you hardly would make a sound

I know what you want so let's stop with the spinning wheel

Open you up and I'll look for the stuff that's real Wanna know, wanna know, wanna know how you feel

Wanna know, wanna know, wanna know if it's real

Wanna take you home and see if we could strike up a deal, yeah

Wanna know what you think, cause I think we can sink

Into a full glass overdose of sex appeal The moment I saw you, you felt like I had it made

You were a story and not just a single page

I look in your eyes and I know that you feel the same

I'm here for the glory and not just to play the game, nooo Wanna know, wanna know, wanna know how you feel

Wanna know, wanna know, wanna know if it's real

Wanna take you home and see if we could strike up a deal, yeah

Wanna know what you think, cause I think we can sink

Into a full glass overdose of

Into a full glass overdose of sex appeal
