

# Autumn's Child

**Devendra Banhart**

Autumn's child  
Raise your head  
Autumn's child  
You sweet young thing Stay dead horse  
Stand dead horse  
Run river run  
Sun shine sun Sing child sing  
Sing your song  
Sing your song Autumn's child  
Come raise your head  
Autumn's child  
Sweet young thing Sweet young thing
