

# Falling Behind

## Dead by April

I'm fading to grey  
losing all track of time  
(I'll die, in your own storm)  
I'm shattered in pieces  
(Lift up my eye)

I am falling this time I open my heart for you Now I'm being something I'm not

Memories gone, I'm falling behind  
Now I'm standing, lonely in tears  
My heart is gone I'm falling behind I'm fading away  
I lose in the end, I lose in the end  
a reason to be  
find me a miracle

(Free my life from destruction)

What am I worth now

(My happy ending long gone) I open my heart for you Now I'm being something I'm not

Memories gone, I'm falling behind  
Now I'm standing, lonely in tears  
My heart is gone I'm falling behind (I never felt so alone)  
there's no turning back  
(Forgiveness is long gone)  
I'm falling behind,  
(I never felt so closed)  
the legions are near me,

(I'm falling behind I'm losing my words now)

(I'm falling behind my life becomes lifeless)

(I'm falling behind) Standing lonely in tears, my heart is gone I'm falling behind Now I'm being something I'm not

Memories gone, I'm falling behind  
Now I'm standing lonely in tears  
My heart is gone, I'm falling behind Now I'm being something I'm not

(Something I'm not)

Memories gone, I'm falling behind  
(Falling behind)

Now I'm standing lonely in tears  
(Lonely in tears)

My heart is gone, I'm falling behind
