

# All Roads Lead To Jamaica

Hayley Sales

Pack up your bags and hit the road  
Get rid of all the shit you own  
All you'll need is yourself and a pair of dirty boots  
You'd better plan to use Follow the footprints in your hand  
And they'll lead you places you never planned  
Just keep your head in the clouds and your feet even higher  
Someday soon you're going to slip on time  
And find what you desire Cause all roads lead to Jamaica, I'm telling you  
All roads lead to Jamaica  
All roads lead to the sugar in the sand  
So come on let's jump in  
Let's go find Jamaica Well all of the rules you think that you know  
I'm telling you to throw them away  
Make your own  
Cause everyone could be happy if they thought they could  
Instead of thought they should Cause all roads lead to Jamaica, I'm telling you  
All roads lead to Jamaica  
All roads lead to the sugar in the sand  
So come on let's jump in Oh I'm telling you  
Life is more like a flash in your eye then the sun in the sky  
So let's go find Jamaica  
Let's go find Jamaica  
Oh I'm telling you lets hit the road tonight  
Let's go find Jamaica
