Give a Little (Rerecorded)

L.A. Guns

Long time ago
Knew a sweet little lassy
Hair like fire
And a walk kinda sassy
She had ruby lips
And sleazy eyes
Jungle hips
And Lucy Lucy thighs
Baby baby take my hand
Baby baby understand
Give a little love to your baby
Give a little love to your man
She had a reputation
And a cruel smile
Give her an inch and she'll take a mile
Holy waters only make believe
Betty Boop what you doing to me
Baby baby take my hand
Baby baby understand
Give a little love to your baby
Give a little love to your man
Now I'm driving all night
In a limousine
She's showing me things I've never seen
There's a place in the world for a woman like you
Doing all the things that you gotta do
Baby baby take my hand
Baby baby understand
Give a little love to your baby
Give a little love to your man
