

# One Dance (Ft. Wizkid & Kyla)

## Drake

[Intro: Kyla]

Baby I like your style[Verse 1: Drake]

Grips on your waist

Front way, back way

You know that I don't play

Streets not safe

But I never run away

Even when I'm away

Oti, oti, there's never much love when we go OT

I pray to make it back in one piece

I pray, I pray[Hook: Drake]

That's why I need a one dance

Got a Hennessy in my hand

One more time 'fore I go

Higher powers taking a hold on me

I need a one dance

Got a Hennessy in my hand

One more time 'fore I go

Higher powers taking a hold on me[Bridge: Kyla]

Baby I like your style[Verse 2: Drake]

Strength and guidance

All that I'm wishing for my friends

Nobody makes it from my ends

I had to bust up the silence

You know you gotta stick by me

Soon as you see the text, reply me

I don't wanna spend time fighting

We've got no time[Hook: Drake]

And that's why I need a one dance

Got a Hennessy in my hand

One more time 'fore I go

Higher powers taking a hold on me

I need a one dance

Got a Hennessy in my hand

One more time 'fore I go

Higher powers taking a hold on me[Break: Wizkid]

Got a pretty girl and she love me long time

Wine it, wine it, very long time

Oh yeah, very long time

Back up, back up, back up and wine it  
Back up, back up and wine it, girl  
Back up, back up, back up and wine it  
Oh yeah, very long time  
Back, up, back up and wine it, girl[Bridge: Kyla + Wizkid]  
Tell me  
I need to know, where do you wanna go?  
Cause if you're down, I'll take it slow  
Make you lose control  
Where, where, where  
Where, where, where, where  
Oh yeah, very long time  
Where, where, where  
Back, up, back up and wine it, girl  
Where, where, where, where  
Cause if you're down  
Back up, back up and  
Cause if you're down  
Back up, back up and  
Cause if you're down  
Back up, back up and[Hook: Drake]  
I need a one dance  
Got a Hennessy in my hand  
One more time 'fore I go  
Higher powers taking a hold on me  
I need a one dance  
Got a Hennessy in my hand  
One more time 'fore I go  
Higher powers taking a hold on me
