

Love & Death (Totalizer Remix)

Tokio Hotel

I can give you, you can give me
Something, everything
You are with me, I'm with you
Always, join me InLove and death
Love and death
Don't you mess,
Don't you mess,
With my heart
Love and death
Love and death
Don't you mess
Don't you mess
With my heart
With my heart
With my heartFragile pieces
Don't regret the sorrows
That we've seen
Take it with us
Step into to my world
Join me inLove and death
Love and death
Don't you mess
Don't you mess
With my heart
Love and death
Love and death
Don't you mess
Don;t you mess
With my heart
With my heart
With my heartAll the pain that we've been through
I'm dying to save you
Feel the blood in my veins flowI've been dying to save you
I've been watching you swim
I'll just see you drown
As a tragedy of comedyWith my heart
With my heartLove and death
Love and death
Don't you mess

Don't you mess
With my heart
Love and death
Love and death
Don't you mess
Don't you mess
With my heart Love, death
Love, death
