

The Phantom of the Opera

[Andrew Lloyd Webber](#)

In sleep he sang to me
In dreams he came
That voice which calls to me
And speaks my name And do I dream again?
For now I find
The Phantom of the Opera
Is there inside my mind Sing once again with me
Our strange duet
My power over you
Grows stronger yet And though you turn from me
To glance behind
The Phantom of the Opera
Is there inside your mind Those who have seen your face
Draw back in fear
I am the mask you wear
It's me they hear You're
(My spirit)
And you're
(My voice)
In one combined
The Phantom of the Opera
Is there inside your
(My mind) He's there
The Phantom on the Opera
Beware the Phantom of the Opera In all your fantasies
You always knew
That man and mystery
Were both in you And in this labyrinth
Where night is blind,
The Phantom of the Opera is there
(Here)
Inside your
(My mind) Sing, my angel of music He's there
The Phantom of the Opera
