In My Dreams

Dokken

In my dreams it's still the same
Your love is strong, it still remainsToss and turn all night in the sheets
Well, I can't sleep
Night after night don't know what it means
In my dreamsWhat can I say or do?
You won't come back, we're through
I've realized too late
That, baby, your love has turned awayIn my dreams it's still the same
Your love is strong, it still remains
In my dreams you're still by me
Just the way it used to beCalling your name but you're turnin' away
Please don't leave
Runnin' in circles waitin' to see you
In my dreamsWhat can I say or do?
You won't come back, we're through
I've realized too late
That, baby, your love has turned awayIn my dreams it's still the same
Your love is strong, it still remains
In my dreams you're still by me
Just the way it used to beIn my dreams it's still the same
Your love is strong, it still remains
In my dreams you're still by me
Just the way it used to beIn my dreams it's still the same
Your love is strong, it still remains
In my dreams you'll always be
In my heart and in my dreamsIn my dreams it's still the same
In my dreams you're still by me
In my dreams just the way it used to be
In my dreamsIn my dreams what can I say
In my dreams you're still by me
And in my dreams you'll always be
In my dreams you'll always beIn my dreams your love is strong
In my dreams it's still the same
In my dreamsIn my dreams
