

# Infinite Love Song

**Maximilian Hecker**

I walk around alone inside  
I walk around alone at night

Breathing your light  
Holding you tight  
Rain on my way  
Rain made my day

I can feel you  
I can see you  
I can love you  
I can leave you

Where are the days when I was young?  
Now I've got to face reality  
I've got to face the pain
