

# I Smell A Rat

**Patty Griffin**

I smell a rat, baby  
I smell a rat, baby  
You'd better watch out  
I smell a rat, babe You won't tell me where you been  
Whiskey running all down your chin I smell a rat, baby  
I smell a rat, baby  
You'd better watch out  
I smell a rat, baby You come stumbling down the hall  
Bump your head up against the wall  
Knock down drunk and that ain't all  
I know you been having yourself a ball I smell a rat, baby  
I smell a rat, baby  
You'd better watch out  
I smell a rat, baby You come stumbling down the hall  
Bump your head up against the wall  
Knock down drunk and that ain't all  
I know you been having yourself a ball I smell a rat, baby  
I smell a rat, baby  
You'd better watch out  
I smell a rat, baby I smell a rat, baby  
I smell a rat, baby  
I smell a rat baby, yeah
