Get On Top

Tim Buckley

Like a slow burn slow burn,
Ya move that mama over to me
Get on top of me woman
Get on top
Let me see what you learned tonight
Then I talk in tongues mama
Oh when I love you
Yes I talk in tonguesGet on top of me woman
Get on top,
Get on top of me woman
I just wanna see what you learnedWell like a bitch dog in heat we had those bed springs a
Squeakin' all day long
And didn't you hear those walls a talkin'
