

# Get On Top

Tim Buckley

Like a slow burn slow burn,  
Ya move that mama over to me  
Get on top of me woman  
Get on top  
Let me see what you learned tonight  
Then I talk in tongues mama  
Oh when I love you  
Yes I talk in tongues Get on top of me woman  
Get on top,  
Get on top of me woman  
I just wanna see what you learned Well like a bitch dog in heat we had those bed springs a  
Squeakin' all day long  
And didn't you hear those walls a talkin'
