

# That's Life

Van Morrison

That's life  
That's what the people say  
You're riding high in April  
Shot down in May I know I've got to change my tune  
When I get back up on top in June That's life  
Funny as it may seem  
Some people get their kicks from  
Stepping on a dream I don't let it get me down, no, no, no  
This big old world keeps spinning round I've been a puppet, a pauper, a pirate  
A poet, a pawn and a king  
I've been up, down, over and out And I know one thing  
Every time I find myself flat on my face  
I pick myself up and get back in the race That's life  
I can't deny it  
I thought of quitting  
But my heart wouldn't buy it If I don't think it's worth a try  
I'm gonna roll myself up in a big ball and die I've been a puppet, a pauper, a pirate  
A poet, a pawn and a king  
I've been up and down and over and out And I know one thing  
Every time I find myself flat on my face  
I pick myself up and get back in the race That's life  
Oh, I just can't deny it  
I thought of quitting  
But my, my heart wouldn't buy it, no, no, no If I don't think everything is worth a try  
I'm gonna roll myself up in a big ball  
Roll myself up in a big ball  
Roll myself up in a big ball and Bye, bye  
Bye, bye  
Bye
