

# In High Places

[Mike Oldfield](#)

Look down from in high places  
Lift off the ground  
Without a sound, yeah We move through open spaces  
The wind, it pulls  
The sky gets close, yeah Could we get much higher?  
Could we get much lighter?  
Navigator to heaven Check out, did you check your heart?  
This cloudless blue  
This starlight night, yeah Shoot out into the shining  
That devil moon  
(That devil moon)  
He sings of love, yeah Can we get much higher?  
Can we get much lighter?  
Navigator to heaven The stars, so close we touch them  
They seem so small  
They make me wonder Far out in formation  
Five thousand moons  
Floating balloons Couldn't get much higher  
Couldn't get much lighter  
Navigator to heaven
