

This is my Jesus

ICF Worship

A love so strong it tears down walls
But lifts me up whenever I fall
A love so strong it tears down walls
But lifts me up whenever I fall
A grace so firm it shields my heart
And there is shelter where you are
I've come to taste the beauty of it all
And I am overwhelmed by the power of your love
This is my Jesus
This is my Saviour
There's no one like him now or ever
Wide eyed
I'm filled with wonder
I linger in his love forever
A blazing fire burning up my pride
Illuminating the way to life
A voice that makes the mountains shake
The whisper stirring up my faith
I've come to taste the beauty of it all
And I am overwhelmed by the power of your love
This is my Jesus
This is my Saviour
There's no one like him now or ever
Wide eyed
I'm filled with wonder
I linger in his love forever
You are my closest friend
My beginning and my end
My heart is set on you
Throughout the test of time
You have never left my side
Yes, I belong to you
