So Excited

Avicii

Breathe
You get me so
Get me so excited, I'm hot, come on, so get it ready
And I'll open my spot for you anytime you want me to
So you can act bad, don't hurt me, look sexy, talk dirty
And I'll open my spot for you anytime you want me to
Get me so excited
For some reason it might be the money that really turns you on
But for me it's an attitude that keeps me tight on the floor
And no words are suitable to describe your swagger, babe
And my body is in overdrive then I have you inside of me
If you like it then I'll do it? I go head to toe
And whenever you pursue it, you'll never hear the word no
So forget about them other girls, baby
'Cause now you're rollin' with a woman, baby
I'ma keep your body thumpin', baby, it's the least I can do
'Cause you get me so excited, I'm hot, come on, so get it ready
And I'll open my spot for you anytime that you want me to
So you can act bad, don't hurt me, look sexy, talk dirty
And I'll open my spot for you anytime you want me to
Get me so excited
So amused by mind control that I wanna get two steps up
As for me I'm a let you know that my body's smoking hot
Throw me up against whatever's close and get to bossin' me around
And every time I give you the assist you know how to slam it down
If you like it then I'll do it? I go head to toe
And whenever you pursue it, you'll never hear the word no
So forget about them other girls, baby
'Cause now you're rollin' with a woman, baby
I'ma keep your body thumpin', baby, it's the least I can do
'Cause you get me so excited, I'm hot, come on, so get it ready
And I'll open my spot for you anytime that you want me to
So you can act bad, don't hurt me, look sexy, talk dirty
And I'll open my spot for you anytime you want me to
Get me so excited
Is ya? Is ya? Is ya hungry? I gotcha, I gotcha
I gotcha licking on my, licking on my
Licking on my body, body like it's something to eat
So you can act bad, don't hurt me, look sexy

Get me so excited, I'm hot, come on, so get it ready
And I'll open my spot for you anytime that you want me to
So you can act bad, don't hurt me, look sexy, talk dirty
And I'll open my spot for you anytime you want me to
Get me so excited
One, two, three
