## Pastor Troy

It doesn't take much to keep holding someone's hand  
You have to keep your eyes open as wide as you can  
You never know what could come along  
Sometimes people think that they are so in love  
When it's the first person that they have ever been with  
I think it's so stupid, it's so stupid  
You have to keep your eyes open  
You'll never know if she's right  
If she's right, yeah  
It's so amazing how people can be held down  
By just one person that doesn't even care what they think  
I know it's so stupid, so stupid  
You have to keep your eyes open  
You'll never know if she's right  
If she's right  
Yeah, you have to keep your eyes open  
You'll never know if she's right  
If she's right
