

Sunshine

S Club 7

Sometimes it's hard when rain's pouring in
I used to worry what tomorrow would bring
Then you came along changed my world around
Gave me something to believe in when I'm upside down
And let me say I owe it all to you and I wanna thank you
For making the sun come shining through Now that we're together everything can only get better
(Get better and better)
Now that you're around me swear I'm gonna love you forever
(Forever and ever)
Now that we're together everything can only get better
You bring the sunshine to my life If you should find you need someone too
Just turn head in my direction and I'll do the same to you
And let me say from the bottom of my heart
I wanna thank you
(I wanna thank you)
For making the sun come shining through Now that we're together everything can only get better
(Get better and better)
Now that you're around me swear I'm gonna love you forever
(Forever and ever) Now that we're together everything can only get better
(Do do do do do do)
Now that you're around me swear I'm gonna love you forever
(Hey)
You bring the sunshine to my life Keep bringing
(Keep on)
Keep bringing
(Keep on)
Keep bringing
The sunshine to me Keep bringing
(Keep on)
Keep bringing
(Keep on)
Keep bringing
The sunshine to me And let me ask you girl, where would I be?
Without you right here
Making the sun shine down on me Now that we're together everything can only get better
(Get better and better)
Now that you're around me swear I'm gonna love you forever
(Bring the sunshine, bring the loving) Now that we're together everything can only get better
Now that you're around me swear I'm gonna love you forever

You bring the sunshine to my lifeBring it on

(Keep bringing)
