Why you niggas still doubt my skills?
Dude, dude, keep it real with yourself
You know your ass's still playing Keep It Real
Really, really? Yeah!
Wile Coyote, I'm the nigga with the plans
Niggas wouldn't last one day in these vans
Niggas couldn't grab 1K of these fans
Believe me, it ain't easy
Shoutout to my nigga G-Eazy
Super Duper Kyle on tour, girl
Gotta come see me
Got more shows than a motherfucking TV
Really, really, really? Yeah!
Put me on the track and I really gas
My worst shit sounds really good
And their best shit's really bad
You the dude, you the dude?
Really, really? Yeah!
Super Duper Kyle making moves?

Me and Mr. Man bet a couple grand
That's what you really call "Battle of the Bands"
Do me a favor, don't mess with me
Best believe you don't wanna go upsetting me, yes
All I tell ugly is this niggas stressing me
You get your brand new white tee shirts distressed
They'd all take one in the chest for me
That's why they expect the best from me
And nothing less

One of my niggas will referee
Watch where you step!
