

Sara Smile

Hall & Oates

Baby hair with a woman's eyes
I can feel you watching in the night
All alone with me and we're waiting for the sunlight
When I feel cold you warm me
When I feel I can't go on you come and hold me
It's you and me forever
Sara smile, won't you smile a while for me
If you feel like leaving you know you can go
But why don't you stay until tomorrow?
And if you want to be free, all got to do is say so
When you feel cold, I'll warm you
And when you feel you can't go on, I'll come and hold you
It's you and me forever
Sara smile, won't you smile a while for me
