West Coast Christmas

Anarbor

It gets a little chilly right about this time each year
And itÃ¢Â€Â™s a little silly that itÃ¢Â€Â™s 92 out here
But where IÃ¢Â€Â™m from, we drink Corona,
Smoke on Ã¢Â€Â¦, and Waint the sun
Life is easy, so feel like whiskey
And everybody sing alongChorus:
Oh, oh, oh
We know it never snows, gonna race in the desert sun
And on the West Coast, in the best coast, everybody sing like
So much Christmas cheer, cracking all the beer
AinÃ¢Â€Â™t no right or wrong, West Coast Christmas song
We all laugh and sing, maybe smoke some green,
ThatÃ¢Â€Â™s where we belong, singing the West Coast Christmas songChilinÃ¢Â€Â™ by the fire with a smile from
to-ear
We donÃ¢Â€Â™t need no Christmas trees cause we got cactus right here
And where IÃ¢Â€Â™m from, they wear bikinis, we donÃ¢Â€Â™t need no Jack and some
Life is easy, so feel like whiskey, and everybody sing alongChorus:
Oh, oh, oh
We know it never snows, gonna race in the desert sun
And on the West Coast, in the best coast, everybody sing like
So much Christmas cheer, cracking all the beer
AinÃ¢Â€Â™t no right or wrong, West Coast Christmas song
We all laugh and sing, maybe smoke some green,
ThatÃ¢Â€Â™s where we belong, singing the West Coast Christmas songCause where IÃ¢Â€Â™m from, we soak u
sunshine
I got the desert on my mind
Life is easy, so feel like whiskey, and everybody sing alongChorus:
Oh, oh, oh
We know it never snows, gonna race in the desert sun
And on the West Coast, in the best coast, everybody sing like
So much Christmas cheer, cracking all the beer
AinÃ¢Â€Â™t no right or wrong, West Coast Christmas song
We all laugh and sing, maybe smoke some green,
ThatÃ¢Â€Â™s where we belong, singing a West Coast Christmas song
A West Coast Christmas song
