

# Screaming Infidelities

## Dashboard Confessional

I'm missing your bed  
I never sleep  
Avoiding the spots where we'd have to speak  
And this bottle of beast is taking me home I'm cuddling close  
To blankets and sheets  
But you're not alone and you're not discreet  
You make sure I know who's taking you home I'm reading your note over again  
There is not a word that I comprehend  
Except when you signed it  
"I will love you always and forever" As for now I'm gonna hear the saddest songs  
And sit alone and wonder, how you're making out  
And as for me I wish that I was anywhere  
With anyone making out I'm missing your laugh  
How did it break?  
And when did your eyes begin to look fake?  
I hope you're as happy as your pretending I'm cuddling close  
To play it to cheats  
'N I am alone, in my defeat  
I wish I knew you were safely at home I'm missing your bed  
I never sleep  
Avoiding the spots where we'd have to sleep  
And this bottle of beast is taking me home As for now I'm gonna hear the saddest songs  
And sit alone and wonder, how you're making out  
And as for me I wish that I was anywhere  
With anyone making out Your hair, it's everywhere  
Screaming infidelities and taking its wear  
Your hair, it's everywhere  
Screaming infidelities and taking its wear Your hair, it's everywhere  
Screaming infidelities and taking its wear  
Your hair, it's everywhere  
Screaming infidelities and taking its wear
