

# ATTACK

## Thirty Seconds to Mars

I won't suffer, be broken  
Get tired, or wasted  
Surrender to nothing  
I'll give up what I  
    Started  
    And stopped it  
From end to beginning  
A new day is coming  
And I am finally freeRun away, Run away  
    I'll attack  
    Run away, Run away  
    Go change yourself  
    Run away, Run away  
    Now I'll attack  
I'll attack, I'll ah whoaI would've kept you forever  
    But we had to sever  
    It ended for both of us  
    Faster than a,  
    Kill off this thinking  
    It's starting to sink in  
    I'm losing control now  
But without you I can finally seeRun away, Run away  
    I'll attack  
    Run away, Run away  
    Go change yourself  
    Run away, Run away  
    Now I'll attack  
I'll attack, I'll ah whoaYour promises  
    They look like lies  
    Your honesty's  
    Like a back that hides a knife  
    I promise you (promise you)  
    I promise you (promise you)  
I am finally freeRun away, Run away  
    I'll attack  
    Run away, Run away  
    Go change yourself  
    Run away, Run away  
    Now I'll attack

I'll attack, I'll attack  
I will attack Run away  
I'll attack, I will attack  
Run away  
I'll attack, I will attack  
Run away, run away  
Now I'll attack, I'll ah whoa Your promises (promises, promises)  
I promise you (promise you)  
I promise you (promise you, promise you)
