Tie It Up

Fuelled Dancefloor

I was standin with my friend
When i saw you walkin in
And my heart started skippin a beatI was tryin to play it cool
But i knew it was true
That nobody would ever competeWell first comes love and then comesFirst date first kiss
We were checkin off the list
Then you were gettin down on your kneeAnd you didnt have to guess
It was a always a yes
Now theres 2 less fish in the seaLets set the date
Lets hire a band
Lets cut the cake
Tie up the cans
I love the ring of your name
Youre the ying to my yang
Oh baby lets give it a shot
Every wall needs a frame
Every ball needs a chain
Im talkin about tying the knot
Tie it upSomething old, something new
Something borrowed, something blue
And the chairs lined up in the yardThe i dos and the kisses
From a miss to a misses
Cant wait for forever to startLets set the date
Lets hire a band
Lets cut the cake
Tie up the cans
I love the ring of your name
Youre the ying to my yang
So baby lets give it a shot
Every wall needs a frame
Every ball needs a chain
Im talkin about tying the knotTie it up
Invite the town
Lets raise a glass and lock it down
Tie it up
Forever bound
Yeah, Im fit to be tied downWhen Mamas kicked off her shoes
And Daddys spinnin from the booze
And the last song is finally sungWe can run to the room

Kickstart the honeymoon
Dont it sound like a whole lotta fun?Lets set the date
Lets hire a band
Lets cut the cake
Tie up the cans
I love the ring of your name
Youre the ying to my yang
So baby lets give it a shot
Every wall needs a frame
Every ball needs a chain
Im talkin about tying the knot
Tie it up
